

## Sensory Manifold (SM)

**Sensory Manifold (SM)** are the Sensory Effects of your **Action Form (AF)**. There are 5 corresponding in respective order as your CAP's:

### Sense CHART

Density (DENS):	This is Touch
Composition (CO):	This is Taste
Radiation (RAD):	This is Scent
Formation (FORM):	This is Sight
Vibration (VIBE):	This is Hearing

To complete the description of your CAP's draw from this Sense CHART to give 01 SM Description to each CAP.

One **Senory Manifold Description (SMD)** is all 5 **SM's** per Element plus Description:

### EC CHART III

	FORM:	Invisible, Transparent, Translucent, Semi-Transparent, Semi-Translucent
	VIBE:	GOD ENERGY, God ENERGY, Goddess ENERGY, Good, Evil

## Apotheum Colluseum, The Ultimate InterActive™ Game

REMEMBER: You can choose your own **SMD**.

And, don't forget, laughing is good for your SOUL...

Make sure to choose from the section which corresponds to the EF of your CAP.

Create your own. Be Original. Be careful not to mix up Senses, even though some coincide now an then i.e. CO and RAD can be quite similar.
