Vircingetoris orders, 'Who will de assemble work as seperate stcikgroups and we de attach all our apparatuur and reconfigure allsystems. When this is done we do a new AKA.

Geniatric Pfill, 'Vercingetoris we are stronger together in numbers.'

"Not for my job Geniatric Pfill. I now leave. Buy!" Vircingetoris stomps out to the door to got his contacts and use non bio-techdisguises.

'Ha hahahaha ha haha, 'laughs Vrcengetoris, 'Not to mention the wildcat maverickbitch on our asses who I will defeat in single combat as according to the orders from our Gods & Goddesses."
