III. You knaw This randomfella, heh?

IV. He was a normal sortofguy, honestworker,
generally kept-to-himself, no severe police-record,
and . . . oh, excuse me .

V. I'm not understanding This. **I**F (T) he thought he
could could get a liposurgic-plastosurgictouchup, he
was wrong. However This one was a fine rarity . . .

Two criminals sprun hém in a backstreet
garagealleyway in an urbongletto, or was that a
ruralstreet, or, oh sorry 7 AM – He swung out his
autospringhatchetknife whirled into a broad right-
wingedslash, cut into a forward tightward step into
the 2nd pulling-a-gun and severed down-off the wrists
of the gunwielder for it was a fake thrust.

Heh heh heh.
